I guess they do make the eyes appear larger but also give them a bit more colour and wear as make up rather than a concealer or a highlighter.

Seniors population set to double in the next 15 or 20 years, it doesn’t take too much of a stretch.

In Afghan media, there was a famous singer by the name of Ahmad Zahir and he died young as well at the age of 32.

That was about 5 months ago and I have never loved anything more.
